

Elizabeth Wozniak, DVM, CertAVP(EM&S), MRCVS

**RCVS Advanced Practitioner in Emergency & Critical Care
Director of Practice and Clinical Services, IVC Evidensia, United Kingdom**

Elizabeth graduated from the University of Life Sciences in Lublin, Poland, in 2006 and subsequently moved to the United Kingdom, where she has worked in both first-opinion and emergency veterinary practice. She holds the GPCert, PgCert and CertAVP in Emergency and Critical Care and is recognised as an RCVS Advanced Practitioner in the discipline.

Elizabeth currently serves as Director of Practice and Clinical Services within IVC Evidensia, where she leads clinical, operational and strategic development, with a particular focus on clinical governance, team development and service excellence. Prior to this, she held a number of senior leadership positions across multi-site veterinary organisations and emergency care services in the UK.

Alongside her clinical leadership role, Elizabeth is Secretary of the Polish Association of Veterinary Emergency and Critical Care (PAVECC), a member of the VECCS Workforce Foresight Task Force, and serves as Member-at-Large (Veterinarian) for EVECCS. She is also a member of the Local Organising Committee for EVECC 2027 in Kraków.

Her professional interests include emergency medicine, critical patient stabilisation, human factors, clinical leadership, veterinary education, and strengthening collaboration across the international ECC community.
