Why partner with EVECC Congress as a key sponsor or exhibitor?

EVECC Congress offers direct access to key opinion leaders, leading academics, private practice owners, corporate directors and a diverse group of general practitioners, nurses and specialists in search of the latest technology and guidance to improve the care they deliver to patients and improve their practices. Ample exhibit hall time, breaks and with a reputation for excellent networking and social opportunities EVECC congress delivers lasting connections and future leads from emerging and established markets.

The congress is a full three-day live event, with 4 streams (Refresher, Advanced, Nurse and a daily changing stream), high quality scientific sessions, (wet) labs, European and international world renown speakers, 1200+ delegates and over 50 nationalities from across the world*. Programmed with excellent local knowledge, an experienced congress board and professional conference organizer partnering with EVECC congress will ensure our joint success (Prices of packages begin on page 3).

Building on a return after last year's successful event, 2025 saw the congress presented with an exciting four live streams and on demand elements further extending your audience across the world and maximizing time for your company to be promoted to delegates. The 2025 exhibit hall continued to be a fantastic meet-up for in person connections and a full congress app for the first time with over 30 partners and exhibitors.

Beginning in 2023, in addition to the skill of our professional congress organiser bureau, Partners in Congress Organisation, in managing our congress Collaborate Global were retained to further enhance the online delegate experience with expertise in producing inspired and original events across digital, physical and hybrid spaces for world renowned brands such as Aston Martin, Perrier Jouet, Phillips and Goodwood festival.

For more information, please take a look at our website: www.evecc-congress.org.

What do our delegates and partners say?

- *I have been to many congresses, but this was by far the best: nice atmosphere, interesting lectures, friendly people, very smooth and efficient communication via email.*
- *Loved the easily accessible location and fun host city - keep up the good work!*
- *Great job using glass bottles for drinks and minimal to no single use dishes/cutlery.*
- *We really enjoyed all the social events and opportunities for networking.*
- *Great idea to mingle the break area with the exhibition*

Over 80% of the delegates at EVECC 2024 expressed a wish to return to EVECC in 2025!

What is the primary place of work of our delegates?

Industry: 4%

Private Practice (First Opinion and/or Emergency) 38%

Private Practice (Referral) 30%

University (Clinical) 24%

University (Research) 4%

Nearly 95% of delegates visited the exhibition!

In 2024 investments in paid marketing, including key sponsors on LinkedIn and Meta reached over **1 million** impressions 1 month before the event.

Welcome to Edinburgh, Scotland!

We are pleased to be able to count on you during our next amazing congress in Edinburgh in 2026. Expanding the previous experience of 2025, meeting people, new places and learning new content and experiences. We will experience an amazing congress in this historical city. Providing you the opportunity to meet a very diverse group of people, from local vets to renowned leaders in their field from across the globe. You can also explore the regional market. We will spare no efforts for you to make the most of this congress and we are very open to new suggestions and ideas so feel free to contact us, we will see you in Edinburgh next year.

For those investing in 3-year long term agreement with our congress this will allow long term budgeting whilst avoiding inflationary increases. Following Edinburgh, the congress will visit Krakow (Poland), followed by Maastricht, the Netherlands.

Kind Regards,

Adam Mugford

Venue 2026 – EICC Edinburgh

Discover the Edinburgh International Conference Centre (EICC): Where Innovation Meets Inspiration

Set in the historic heart of Edinburgh, the Edinburgh International Conference Centre (EICC) is the ideal venue for congresses that aim to inspire, educate, and advance animal healthcare. With a reputation for hosting global scientific and medical gatherings, the EICC combines world-class facilities with seamless service and a passion for innovation.

Designed with flexibility and functionality in mind, the EICC offers purpose-built spaces that easily accommodate the diverse needs of our congress—clinical lectures, practical workshops, poster sessions, or networking. The cutting-edge Lennox Suite features a unique moving floor system, allowing swift transitions between plenary sessions, various streams, workshops and panel discussions—all in one dynamic space.

Delegates benefit from high-speed connectivity, hybrid event capabilities, and breakout rooms ideal for specialist seminars, panels, and industry roundtables. The EICC provides an environment where academic excellence and practical insights meet.

www.evecc-congress.org

Sustainability is central to the EICC's mission—perfectly aligning with the veterinary field's commitment to One Health and environmental stewardship. From locally sourced catering and green energy systems to waste reduction and carbon-conscious operations, your congress will reflect values that matter.

Green Energy & Efficient Infrastructure

- **Renewable Electricity:** The EICC is powered entirely by renewable electricity, significantly reducing its carbon footprint.
 - **Energy Efficiency:** Smart systems manage heating, lighting, and ventilation to minimize energy waste. Motion sensors, LED lighting, and advanced insulation contribute to lower consumption.
 - **Carbon Reporting:** The venue actively monitors and reports on its emissions, and is working toward ambitious net-zero goals.
-

Zero-to-Landfill Policy

- All waste at the EICC is either recycled, composted, or converted to energy—none goes to landfill.
 - Food waste is composted or anaerobically digested, and strict recycling protocols are in place for plastics, paper, and other materials.
-

Sustainable Catering

- **Local Sourcing:** The EICC partners with local suppliers to provide fresh, seasonal, and ethically sourced ingredients.
 - **Plant-Based Options:** Menus include a wide range of vegetarian and vegan options, reducing the event's carbon footprint.
 - **Food Waste Reduction:** Catering is planned carefully to avoid excess, and leftover food is often donated or composted.
-

Low-Carbon Access

- The EICC is centrally located, encouraging delegates to walk or use public transport.
 - Bike parking is available, and partnerships with local transport providers promote low-emission travel.
-

Community & Legacy Initiatives

- The EICC supports local social enterprises and education programs.
- Its "Legacy Program" encourages event organizers to create lasting community benefits tied to their events—such as scholarships, partnerships with local charities, or awareness campaigns.

Host city

Experience Edinburgh: A City of History, Culture, and Culinary Delight

Edinburgh, Scotland's iconic capital, is a city where ancient tradition meets modern vibrancy. Perched on a series of volcanic hills and steeped in centuries of history, Edinburgh offers visitors a truly unforgettable experience—whether you're here for a conference, a cultural escape, or simply to explore.

Recognized as a UNESCO World Heritage Site, Edinburgh's historic heart is divided into two contrasting yet complementary areas: the medieval Old Town, with its narrow alleys and hidden courtyards, and the elegant Georgian New Town, known for its neoclassical architecture and wide boulevards. Walking through the city feels like stepping into a living museum—yet one that hums with contemporary energy.

At the top of the Royal Mile, you'll find Edinburgh Castle, an awe-inspiring fortress that dominates the skyline and has watched over the city for more than 900 years. Below, the winding streets of the Old Town reveal layers of history, from the mysterious underground vaults to the Palace of Holyroodhouse, the official Scottish residence of the monarch.

Just a short stroll away lies the lush green expanse of Holyrood Park and the dramatic summit of Arthur's Seat, an extinct volcano that offers panoramic views over the city and beyond. For those drawn to the arts, Edinburgh's festivals—including the world-renowned Fringe Festival and Edinburgh International Festival—make the city a global cultural capital every summer.

Beyond the sights, Edinburgh is also a destination for the senses. The city's culinary scene has blossomed in recent years, blending traditional Scottish fare with modern innovation. Sample haggis with neeps and tatties, indulge in freshly caught North Sea seafood, or enjoy Michelin-starred dining in one of the city's acclaimed restaurants. And no visit is complete without a dram of Scotch whisky from a cozy pub or a local distillery.

From historic treasures and literary legends to modern design, vibrant nightlife, and world-class cuisine, Edinburgh captivates every visitor. It's a place where stories live on every corner—and where every traveler finds their own.

Travel to Edinburgh

Edinburgh Airport (EDI)

Exhibition:

To further increase traffic in the exhibition, we will add games in the exhibition hall. Interested partners can reserve one of these games, so we can place them close to your booth. The games will be divided on a first come, first serve base.

As in Croatia we will once more organise an Exhibit Hall treasure hunt and key partners are contacted to send in a unique question for one of their materials / products shown on display. The congress will make sure to have five great prizes available for the winners of the treasure hunt (Platinum, Gold, Silver and Bronze sponsors and long-term exhibitors). After its successful introduction in 2024 we continue to use the congress app. **Lead retrieval is included in all sponsor packages,**

Additional information:

Additional exhibitor badges (outside sponsorship agreements) not included in below packages are available per person for 3 days, and additional welcome reception and gala dinner tickets can be ordered separately as well.

Note that all prices are exclusive of VAT. We are liable to meet the United Kingdom and European VAT regulations.

We would like to offer different packages depending on the duration of your commitment (with the most value presented as 3-year agreements) for sponsoring our congress.

Terms and conditions

1. If you wish to explore the possibility of additional options for sponsor organized events during the congress, please contact the sponsor Committee via sponsors@evecc-congress.org.
2. Sponsors wishing to sponsor more than one package should discuss this with the sponsor committee to confirm availability.
3. The stand fees **do not** include the costs of stand building, furniture, carpeting, electricity or any individual other stand-related costs.
4. Each exhibiting company must have badges for all their attending representatives. Additional exhibitor badges are available for purchase via the congress secretary.
5. Payment is due **30 days after receipt of the invoice**, and in any event **paid prior to Congress**. Payments that have not been received prior to congress may lead to delay in your company accessing the exhibition.
6. The congress is liable to meet the UK and EU VAT regulations. In case of a change in the VAT rates, this will be charged through as well.
7. Force majeure: If due to war, strikes, industrial action short of a strike, import or export embargo, lockouts, accidents, fire, blockade, flood, natural catastrophes, pandemics and epidemics or other obstacles over which the PARTY has no control the PARTY shall not be held responsible for any loss or damage which may be incurred as a result of such failure. Should the event of force majeure continue for longer than one month, the PARTY adversely affected shall have the option of terminating this agreement immediately without further liability.

Contact:

Please feel free to contact Adam Mugford or Joeri Slangen (sponsors@evecc-congress.org) on behalf of the sponsor committee for all additional questions and/or to discuss the possibility of future collaboration.
